## CARDS DENOTE CHARACTER.

The Newy Rich Want Fan-  
cy Script, With Lots  
of Curlyques.

"You have no idea how cards de-  
note character," said a young woman  
who takes the orders for card plates  
in a big downtown engraving estab-  
lishment.

"The man who is completely ab-  
sorbed in business and cares little for  
women and society steps up to the  
counter briskly, selects a plain, bold  
script and rather large care of good  
quality. He never parts his name in  
the middle, and though it isn't 'good  
form,' rarely ever uses his full name,  
but prefers the initials of his given  
names. He also rarely uses his 'mis-  
ter' on his cards, again not minding  
good form. I like to attend to busi-  
ness men. They get what they want  
in a hurry and get right out.

"I tell you, they are different from  
the doctors—I mean young doctors  
who haven't yet learned that they  
have still a few things to learn. They  
give me lots of trouble. They all  
want three or four different plates,  
and in other ways are hard to please.

They have cards for social use and for  
business. The ones for the former  
are the correct size, and read this way  
Dr. J. Chamberlain Smith." The ad-  
dress is placed in the correct corner  
of course. This man's business cards  
are engraved. John Chamberlain  
Smith, M. D." In one corner he has  
his office hours in the other his office  
address. Young Dr. Smith takes 200  
of each kind home with him, and I  
think to myself, 'Rid of another one  
of those bothersome young doctors,'  
but no, I am mistaken. In a few days  
Dr. Smith is back. Patient haven't  
come in as he thought they would.  
Perhaps something is wrong with my  
cards, he thinks to himself, and here  
he is ordering more plates, with more  
stuff than enough on them.

"The new rich woman is a pleasant  
and amusing customer. Did you ever  
notice how affable new rich people  
are? Some people say they are arro-  
gant, but that has not been my expe-  
rience. Well, the new rich woman  
invariably orders in fancy script, with  
lots of curlyques, and she always se-  
lects an extra, in fact, an ultra large  
card.

"Women's complaints.

"Finicky women like finicky script  
and I'll tell you another thing about  
them. They are nearly always stin-  
gy. They buy thin, grasy cards, de-  
clining every time that it is because  
they prefer them, but I know better.  
It's stinginess that makes them pre-  
fer them.

"Of course fashionable men and  
fashionable women know what they  
want, for they know what is correct,  
and give their orders with little pa-  
tienting. Their tastes vary somewhat,  
but very little.

"I've been in this business so long  
that I could wait on most of my cus-  
tomers, and please them, too, without  
getting the slightest hint from them  
as to what they want. Here comes a  
customer now, and I'll bet you an  
Easter bonnet that I can suit him in  
no time," she said with a merry twinkle  
in her eye as she hastened off to a tall,  
rawboned man conspicuous in tail  
clothes.

We think we will have a wedding  
to report next time.

that Thurston has been wonderfully  
discreet in all his communications  
with the public through representa-  
tives of the press. He has been uni-  
versally popular with them from the  
day of his arrival first as an annexa-  
tion commissioner, because he was  
recognized as an exceedingly modest  
gentleman of education, of fine train-  
ing and absolute truthfulness. He  
has carefully avoided any criticism  
of the Cleveland administration, is  
the testimony they give.

"The real reason doubtless is that  
Mr. Thurston has, in his lectures,  
spoken favorably of Hawaiian annexa-  
tion. However, he is a 'person  
non grata' at the State department,  
he will probably be recalled—though  
it is not probable that any representa-  
tive of the Hawaiian republic will  
obtain a more friendly footing with  
Gresham than Thurston has.—[Tele-

IN NEARLY ALL THE MUNICIPAL ELEC-  
TIONS HELD THROUGHOUT THE UNITED  
STATES LAST MONDAY, THE REPUBLICANS  
GAINED A WONDERFUL VICTORY OVER THE  
DEMOCRACY.

COL. Q. C. SHANKS ENTERED HIS  
55TH YEAR LAST MONDAY. COL. SHANKS  
HAS BEEN RESIDENT OF OUR TOWN FOR A  
NUMBER OF YEARS, AND IS HELD IN HIGH  
ESTEEM BY OUR PEOPLE IN GENERAL.  
LONG MAY THE COLONEL LIVE AND HAPPY  
MAY HIS LOT EVER BE, IS THE SINCERE  
WISH OF THE REPUBLICAN AND HIS  
MANY FRIENDS THROUGHOUT THE COUNTY.

SUBSCRIBERS, WE WISH TO CALL YOUR  
ATTENTION TO A MATTER THAT SOME OF  
YOU HAVE LONG SINCE SEENED NOT TO  
NOTE, AND THAT IS THE LABEL ON YOUR PAPER,  
WHICH INDICATES THE TIME YOUR SUB-  
SCRIPTION EXPIRES. YOU KNOW WHEN  
YOUR TIME IS OUT, AND IF YOU DO NOT  
WANT THE PAPER SENT TO YOUR ADDRESS  
ANY LONGER, NOTIFY US OF THE FACT, OR  
ELSE WE WILL CONTINUE SENDING THE PAPER.  
DO NOT TAKE THE PAPER FOR 2, 3,  
4 OR 5 YEARS AND THEN SAY YOU NEVER  
SUBSCRIBED AND YOU ARE NOT GOING TO  
PAY. FOR THE BENEFIT OF THOSE WHO ARE  
NOT POSTED IN REGARD TO THIS, SEE THE  
FOLLOWING BIT OF LAW RELATIVE TO PUBLISHERS  
AND SUBSCRIBERS:

"PUBLISHERS SHOULD BEAR IN MIND  
THAT UNDER THE GENERAL LAW OF THIS  
COUNTRY THEY CAN ENFORCE PAYMENT OF  
ANY ACCOUNTS DUE THEM FOR SUB-  
SCRIPTION FOR SUCH A LENGTH OF TIME AS A  
SUBSCRIBER RECEIVES THE PAPER FROM THE  
POSTOFFICE, AS EVERY ONE OF INTELLIG-  
ENCE KNOWS THAT A DEBTOR CAN BE  
COMPELLED TO PAY FOR ANY ARTICLES HE  
USES OR RECEIVES. IT WOULD,  
IN MOST CASES, BE UNWISE FOR A PUBLISHER  
TO DISCONTINUE SENDING HIS PAPER  
TO A SUBSCRIBER IMMEDIATELY UPON  
THE EXPIRATION OF THE PAID TERM, AS THE  
MAJORITY OF SUBSCRIBERS, IN ALL PROB-  
ABILITY, WISH TO CONTINUE TAKING THE  
PAPER, BUT ARE UNABLE, FROM ONE REA-  
SON OR ANOTHER, TO PAY THE SECOND  
YEAR'S SUBSCRIPTION IMMEDIATELY UPON  
THE EXPIRATION OF THE TIME PAID FOR."

NEVER IN THE HISTORY OF THE REP-  
UBLICAN PARTY IN KENTUCKY HAS IT  
HAD AN OPPORTUNITY TO CARRY THE  
STATE, WHICH IN ANY SENSE APPROACHES  
THE OPPORTUNITY AFFORDED IN THIS GOOD  
YEAR OF 1895. THERE IS IN THE OUT-  
LOOK NOTHING TO ENCOURAGE THE DEM-  
OCRACY AND NOTHING TO DISCOURSE  
THE REPUBLICANS. CONGRESS ADJOURNED  
IN A SEA OF DISGRACEFUL FAILURE.  
NO CONGRESS CONVENES EXCEPT BY CALL  
SESSION BETWEEN NOW AND THE NOVEMBER  
ELECTION. SHOULD THERE BE A CALL  
SESSION THE CONGRESS WOULD BE REP-  
UBLICAN, AND BEIDES IT WOULD BE ONE  
MORE ACKNOWLEDGEMENT BY THE PRES-  
IDENT THAT HIS ADMINISTRATION IS A  
FAILURE. THERE IS NO HOPE FROM A  
NATIONAL STANDPOINT FOR THE KENTUCKY  
DEMOCRACY. NO LEGISLATURE CONVENES  
BETWEEN NOW AND THE ELECTION, WHICH  
MIGHT BY A SESSION'S GOOD WORK BRIGHT-

EN DEMOCRATIC HOPES. BUT DEMOC-  
RATIC LEGISLATURES IN KENTUCKY SEL-  
DOM, IF EVER, DO GOOD WORK. THE  
STATE IS BANKRUPT AND THE ADMINIS-  
TRATION OF STATE OFFICES HAS COME TO BE  
SO ROTEN THAT THOUSANDS OF DEMO-  
CRATS ARE TIRED AND DISGUSTED. WITH  
BRADLEY FOR GOVERNOR AND A WELL SE-  
LECTED TICKET FOR RUNNING MATES AND A  
UNITED EFFORT IN EVERY COUNTY, REPUB-  
ЛИCAN NEEDS HAVE NO FEAR OF THE RESULT.

STAND TO YOUR GUNS, BOYS, UNTIL THE  
POLES CLOSE.

THE NASHVILLE DEMOCRATS DECLARE  
FOR EVANS AND WANT THE REPUBLICANS  
SEATED. THE FOLLOWING CALL WAS IS-  
SUED FOR WEDNESDAY NIGHT:

"Believing that the present unfor-  
tunate contest for the office of Governor  
has come to be a State grievance  
which imperils our good name abroad  
and threatens disaster to dear  
interests at home, and seeing that the  
question is no longer one of fraud  
at the polls, but an innocent omission  
which was general all over the State  
and applies to both parties alike, we,  
Democrats of Davidson County, humbly unite in calling a public  
meeting at the Tabernacle in the city of  
Nashville the 2nd of April, 1895  
at night, when we may in a formal  
way petition our members of the  
General Assembly, and especially  
members from our county, for a redress  
of grievances by ending the contest  
and giving Mr. Evans the office to which  
the returns show he was elected."

AND YET SO DESPERATE ARE THE BENCH-  
MEN OF TURNER THAT ON TUESDAY NIGHT  
THIS MEETING WAS PACKED BY THEM  
WITH A HOWLING MOB THAT BY ITS  
DISORDERLY AND DISGRACEFUL CONDUCT  
BROKE IT UP IN CONFUSION. THE ACTION  
OF TURNER AND HIS FOLLOWERS IS FAST  
MAKING THIS TO BE TRUE, WHERE DO  
THESE THINGS BENEFIT THE TOWN?

AS THE REPUBLICAN STATE CONVENTION  
WILL BE IN SESSION ON MAY 30,  
DECORATION DAY, IT IS NOW PROPOSED THAT  
AT AN HOUR SELECTED BY THE LOCAL  
COMMITTEE, WHO HAVE THE DECORATION  
DAY SERVICES IN CHARGE AT LOUISVILLE,  
THE CONVENTION WILL ADJOURN AND IN A  
BODY REPAIR TO CAVE HILL AND TAKE  
PART IN THE EXERCISES. INSTEAD OF  
LESSENING THE ATTENDANCE AT THE CON-  
VENTION BY REASON OF THE DATE, IF THE  
PROJECT IS PROPERLY MANAGED, AS IT WILL  
BE, THE ATTENDANCE WILL BE INCREASED.  
THE DECORATION DAY SERVICES ALONE  
UNDER SUCH EXTRAORDINARY CIRCUM-  
STANCES WOULD REPAY THE EXPENSE OF  
THE TRIP TO THE CITY. IT WILL BE THE  
GREATEST OCCASION OF THE KIND EVER SEEN  
IN THE STATE. THERE ARE SEVERAL THOUS-  
AND AND SOLDIERS BURIED AT CAVE HILL,  
AND AS IT IS THE FEELING OF PATRIOTIC  
REVERENCE FOR THE DEAD THAT MAKES  
THE DAY WHAT IT IS, THE OBSERVANCE OF  
IT IS NOT CONFINED TO ANY PLACE. THE  
DELEGATES WHO FAIL TO ATTEND THE CON-  
VENTION AND TAKE PART IN THE EXERCISES  
OF MAY 30, WILL LOSE AN OPPORTUNITY  
SOLDOM PRESENTED.

AT HORSE FLESH.

PITIABLE CONDITION OF HANCOCK  
COUNTY SUFFERERS SAYS THE OWENSBORO  
INQUIRER. RESPONSIBLE PARTIES LIVING  
NEAR "PINCHEECO," HANCOCK COUNTY,  
TELL OF A TERRIBLE STATE OF AFFAIRS EXIST-  
ING AMONG THE POOR CLASS OF PEOPLE  
BETWEEN VICTORIA AND ROSEVILLE. THEY  
SAY THAT STARVATION IS STARING THE  
INHABITANTS IN THE FACE AND THAT MANY  
FAMILIES ARE ACTUALLY SUFFERING. THEY  
HAVE EATEN UP ALL THEY RAISED LAST  
SUMMER AND HAVE BORROWED FROM EACH  
OTHER UNTIL EVERY CORN BIN IS EMPTIED  
AND EVERY MEAT HOUSE CLEANED OUT.

THE FARMER HAS NO MARKET FOR HIS  
PRODUCTS. THE STOCK RAISER MUST SHIP  
HIS HERDS OUT OF THE STATE TO FIND  
SOLDIERS. THE TOBACCO AND HEMP  
GROWER HARVESTS HIS CROP AND LOADS  
IT ON A BOAT OR THE RAILROAD TRAIN TO  
SEE A BUYER. SO ALSO MUST THE WOOLGROW-  
ER.

LET US LOOK AT KENTUCKY AS SHE  
STANDS BY THE SIDE OF THREE NORTHERN  
SISTERS:

IN 1850 OHIO'S TOTAL WEALTH WAS  
\$504,726,120; ITS PER CAPITA, \$225.  
NOW OHIO HAS \$3,951,382,480 AND  
THE PER CAPITA IS \$1,076.

INDIANA IN 1850 HAD A TOTAL WEALTH  
OF \$202,650,261, AND A PER CAPITA OF  
\$205. NOW IT HAS \$2,095,176,626,  
AND A PER CAPITA OF \$956.

ILLINOIS IN 1850 HAD \$156,265,006  
WITHIN ITS BORDERS, AND A PER CAPITA  
WEALTH OF \$182. NOW THE WEALTH OF  
ILLINOIS IS \$5,066,756,719, THE PER  
CAPITA BEING \$2,525.

KENTUCKY IN 1850 WAS RICHER THAN  
EITHER OF THESE STATES, EXCEPT OHIO,  
PATTING THE COMMONWEALTH'S TOTAL AT  
\$301,728,456; AND WAS RICHER THAN  
OHIO IN PER CAPITA WEALTH, WHICH WAS  
\$307. NOW IT IS POORE THAN ANY OF  
THE STATES MENTIONED IN ALL THINGS  
EXCEPT SOIL, CLIMATE AND NATURAL ADVANTAGES.  
ITS TOTAL WEALTH IS \$1,172,  
232,313, AND ITS PER CAPITA IS \$631.

WHAT IS THE CAUSE? IS IT NATIONAL  
LEGISLATION? CAN THE MONEY QUEST-  
ION EFFECT THIS CAUSE IN THE SLIGHTEST?  
NO! KENTUCKY IS RESPONSIBLE. HER  
PEOPLE AND POLITICIANS AND NEWSPAPERS  
HAVE BEEN UNABLE TO SEE THE STATE  
ISSUES. FOR EXAMPLE, THE ELIZABETH-  
TOWN NEWS HAS GONE ON BLINDLY FIGHT-  
ING STATE CAMPAIGNS ON NATIONAL ISSUES  
TO THE NEGLECT OF HOME INTERESTS.

LET THE ELIZABETH-TOWN NEWS AND  
OTHERS OF ITS KIND JOIN IN THE CAMPAIGN  
FOR THE DEVELOPMENT OF KENTUCKY  
AND HER NATURAL WEALTH AND RESOURCES,  
AND 10 YEARS FROM TODAY THE BLUE  
GRASS COMMONWEALTH WILL BE SECOND  
TO NONE OF HER SISTERS.

MAKE STATE ISSUES PARAMOUNT WHICH  
HAVE TO DO WITH THE BUILDING UP OF  
KENTUCKY. CONGRESSMEN AND SENATORS  
ARE ELECTED TO LOOK AFTER NATIONAL  
QUESTIONS. LET STATE OFFICERS LOOK AFTER  
STATE AFFAIRS. THEN KENTUCKY WILL  
FALL INTO LINE WITH HER SISTER STATES,  
AND HER PEOPLE WILL BE MORE PROSPEROUS  
AND HAPPY.

THEY ARE TOO MUCH POLITICS IN KEN-  
TUCKY AND NOT ENOUGH BUSINESS.

IS THE BILL OF PARTICULARS SUFFICIENTLY  
SPECIFIC?

THE REPUBLICAN COUNTY CONVENTION  
TO SELECT DELEGATES TO THE STATE  
CONVENTION WHICH MEETS AT LOUIS-  
VILLE MAY 29, AND TO THE 1ST RAILROAD  
DISTRICT CONVENTION, WHICH MEETS AT  
THE SAME TIME AND PLACE, HAS BEEN CALLED  
FOR SATURDAY, MAY 18th, AT 1 O'CLOCK  
AT THE COURT HOUSE. THIS SHOULD BE  
THE LARGEST CONVENTION EVER HELD IN  
THE COUNTY. EVERY REPUBLICAN SHOULD  
MAKE IT A DUTY TO COME TO HARTFORD  
THAT DAY AND TAKE PART IN NAMING THE  
NEXT GOVERNOR OF THE STATE AND THE  
MEN WHO'LL ALL FILL THE OTHER STATE  
OFFICES DURING THE NEXT TERM.

CHICAGO ELECTED GEORGE B. SWIFT,  
REPUBLICAN, MAYOR, IN THE RECENT  
MUNICIPAL ELECTION BY ABOUT 40,000  
VOTES. TWO YEARS AGO IT WENT ALMOST  
OR QUITE AS STRONGLY DEMOCRATIC.

AT EVERY OPPORTUNITY THE PEOPLE  
ARE EXPRESSING AT THE BALLOT BOX THEIR  
DISAPPROVAL OF THE DEMOCRATIC AD-  
MINISTRATION AND ITS FAILURES. IN NOV-  
EMBER LAST, THE DEMOCRATS SUFFERED A  
WATERLOO UNPRECEDENTED IN AMERICAN  
POLITICS AND SINCE THAT TIME CITY  
AFTER CITY, AMONG THEM PHILADELPHIA,  
CHICAGO AND ST. LOUIS HAS EXPRESSED,  
BY LARGE REPUBLICAN MAJORITIES, THE  
UNIVERSAL CONDEMNATION OF THE PARTY  
IN POWER.

THE PERSISTENT EFFORTS TO HAVE OPEN  
SALOONS IN HARTFORD IS VERY UNFORTU-  
NATE FOR THE BEST INTERESTS OF THE TOWN.  
THAT THE FRIENDS OF THE OPEN SAUOON  
MAY BE INEFFECTIVE IN THEIR ADVO-  
CACY OF THEM, IS NOT DENIED, AND YE-

HOLD THEY HAVE FAILED TO SHOW WHEREIN  
THE CONDITION OF THE TOWN, IN ANY RESPECT,  
WOULD BE IMPROVED. IT IS QUITE TRUE  
THAT WITH SALOONS HERE THERE WOULD  
BE MORE WHISKY DRUNK, THERE WOULD  
BE MORE DRUNKEN MEN ON THE STREETS,  
THERE WOULD BE MORE MEN CONFINED IN  
THE COUNTY JAIL, THERE WOULD BE A FEW  
MORE TRIALS AND CONVICTIONS, A FEW  
MORE MEN FOR THE ROCKPILE. BUT GRANTING  
ALL THIS TO BE TRUE, WHERE DO THESE  
THINGS BENEFIT THE TOWN?

CASTORIA IS DR. SAMUEL PITCHER'S PRESCRIPTION FOR INFANTS  
AND CHILDREN. IT CONTAINS NEITHER OPIUM, MORPHINE NOR  
OTHER NARCOTIC SUBSTANCE. IT IS A HARMLESS SUBSTITUTE  
FOR PAREGORIC, DROPS, SOOTHING SYRUPS, AND CASTOR OIL.  
IT IS PLEASANT. ITS GUARANTEED IS THIRTY YEARS' USE BY  
MILLIONS OF MOTHERS. CASTORIA DESTROYS WORMS AND ALLAYS  
FEVERISHNESS. CASTORIA PREVENTS VOMITING SOUR CURD,  
CURES DIARRHEA AND WIND COLIC. CASTORIA RELIEVES  
TEETHING TROUBLES, CURES CONSTIPATION AND FLATULENCY.  
CASTORIA ASSIMILATES THE FOOD, REGULATES THE STOMACH  
AND BOWELS, GIVING HEALTHY AND NATURAL SLEEP. CASTORIA  
IS THE CHILDREN'S PANACEA—THE MOTHER'S FRIEND.

**The Improvement in Business.**  
The trade revival which began to mani-  
fest itself two or three weeks ago becomes  
more marked as time passes. On the stock market the improvement  
is particularly noticeable. Not only is the volume of sales larger  
than they were early in this month, but the prices are higher. This is  
true of nearly all the solid stocks.  
Even railway earnings have already  
begun to feel the improved conditions.  
In the latest issue of the New York  
"Financial Chronicle" there is a review  
of the January statement of railroad gross  
and net earnings, in which that paper finds  
there is an increase in both items, for the first time in  
nineteen months, with the exception of last August. It is believed that  
February's severe weather will make  
the showing for that month less favorable.  
The indications, though, are that the March exhibit will be de-  
cidedly encouraging.

Again, not only is my choice fixed  
and my will fixed and my afflictions  
fixed, but my whole being is fixed.  
You know it is one thing to have your  
head right and another to get your  
heart right and then your feet and  
hands and tongue—all must be fixed.  
I have heard fellows say, "I've got religion  
right in my heart, sir," and when they  
died you could put them on their  
tomstones, "Here lies a lump of re-  
ligion"—it never got out at all, just  
settled there. I believe God puts his  
grace right in the top of a fellow's head  
first, and it bores right down through  
his brain until it reaches his heart, then on down until it taps  
his pocketbook. (Laughter.) Then it  
springs up like an artesian well. God  
don't commence at the heart and bore  
up. You don't begin at the bottom  
of a well and bore up, but you begin  
at the top and bore down. I like to  
see a fellow that has got some sense.  
Whenever you see a fellow that has got  
more religion than he has sense he is  
a fool; when you see a fellow with  
more sense than he has religion, he's  
a rascal. And it's mighty hard to  
split the difference. But when a fellow  
that has got a good level head gets  
his will consecrated to God he  
will be a power anywhere. Good  
sense and good religion! That's the  
grandest compound in the world.

Bank clearings are making a better  
exhibit than they did up to the begin-  
ning of March. Their recent average  
has been 15 or 20 per cent. in excess  
of those of last year at this time.  
Prices of silver, too, have gone up.  
Part of the advance here is probably  
due to a belief that China will be a  
heavy buyer of silver after the war is  
over, and some of it may be caused by  
the European talk in favor of re-  
monstrating that metal. A consider-  
able share of the advance, however, is  
undoubtedly due to the improvement  
in general trade, which will increase  
the demand for silver, as well as all  
other commodities. As would natu-  
rally be expected under such condi-  
tions, the rates of money have gone  
up. They are higher now than at  
any previous time since the end of  
the money scare in the latter part of  
1893. Nothing like a stringency,  
however, is feared.

Nobody, of course, looks for anything  
like a boom in the next few months.  
The business torso of two years  
cannot be overcome suddenly. The  
improvement will be slow for a while,  
but it will be continuous, and before  
the present year ends the normal  
conditions will probably be restored  
and trade reach the level of the period  
immediately preceding the panic.

"Farmers who own jacks and  
jennies will be interested in a study  
of the Government mule report, which  
was issued by the Department of Agri-  
culture last month. There were  
2,333,108 miles in 1893, as compared  
with 2,314,699 miles in January,  
1892, showing an increase of 18,409  
within three years. This is a gain  
of less than 1 per cent., and so small  
that it should not in any way affect  
the price of mules. But comparing  
further the value of mules on the farm,  
we find it to have been follows."

Value perhead.

JANUARY, 1892 . . . . . \$72.55

JANUARY, 1895 . . . . . 47.55

Loss . . . . . \$8.00

"It seems that mules, which were  
worth \$75.55 each at the beginning of  
1892, in the time of McKinley protec-  
tion, were worth only \$47.55 a head at  
the beginning of the present year,  
under Gorman free trade, the loss to  
farmers and others being \$28 upon  
each and every mule which they  
owned. Applying these average  
values to the total number of mules  
we get at the entire values at each  
period, as follows:

Total value of mules.

**A Chance to Make Money.**  
I saw one of your subscribers tell in your columns a few weeks ago how she made money selling Dish Washers. I wrote to the Iron City Dish Washer Co., E. E. Pittsburg, Pa., and obtained one of their Dish Washers and tried it myself first. It is just lovely; you can wash and dry the dishes for a family in two minutes, without touching your hands to a dish or putting them in hot water. I made the first day \$5.00, and everybody wanted a Dish Washer just as soon as they saw me wash their dishes. Since then I have made as high as \$18.00 a day, and I believe that I can get enough money to keep my brother at school this winter and have money in the bank too. Any lady or gentleman can do as well as I am doing, I am sure, as I had no experience. When everybody wants to buy it, is not hard to sell. Anyone can get information by writing the above firm, I am glad to add my experience, because I think it is my duty to others to help them over the hard times.

### Legislation in the Next Congress.

Representative Dalzell, of Pennsylvania, is another Republican who declares his colleagues will make no attempt in the Fifty-Fourth Congress to bring about any distinctively partisan legislation. He says that the best thing for the House to do will be to pass the necessary routine bills and then go home. From present indications he is inclined to believe that the long session may end in April or May. That would be an earlier adjournment than has come in many years, and is hardly likely to be had in 1895, but the general opinion among Republican Congressmen, that but little will probably be done beyond passing the appropriation bills, which the Pennsylvania statesman expresses, is of some significance. Dalzell is an intimate friend of Thomas B. Reed, who will be Speaker, and in these expressions he very likely sets forth Reed's feelings and purposes.

Those who have been looking for a reopening of the tariff and finance questions in the Fifty-Fourth Congress will be disappointed. No disturbance from either of those issues will be inflicted on the country in the next two years. The overwhelming Republican majority in the House, which will be under the direction of speaker Reed, will stand as a barrier against all harmful agitation of those questions. In the Senate, of course, the Republicans may not be in undisputed control, but the financial tinkering which that body may favor can not hurt anything, because it will be killed in the House if it reaches that branch. The revival of business which the absence of Congress until next December is helping to bring about will not be suspended when that date arrives, for the Republican managers in the House will see to it that no disturbing or distracting measures shall be enacted.

The fact that the country wants a rest from all agitation calculated to unsettle business is well known to the Republican leaders in Congress, and they are sagacious and public-spirited enough to keep it firmly in mind throughout the term. Moreover, they are aware of the limitations and restrictions which the control of part of the Government by the Democracy imposes. A Republican tariff bill would have no chance of receiving the President's signature, and probably it would not pass the Senate, although two or three men in that body who are called Populists occupy Republican ground on that issue. Action on the great questions of legislation will have to wait until the Republicans secure control of the entire Government in 1897. Happily none of those questions are really urgent at this time, and they can be postponed without embarrassment to the country.—[N. Y. Tribune.]

### An Art Treasure.

There is no more fitting, beautiful or enduring memento of the great Columbian Exposition than the handsome volume of sixty-four selected views which we are now offering free to every new subscriber or old subscriber who renews for one year. It should be borne in mind that this collection is not a cheap affair, but a carefully chosen series which is artistic, beautiful and instructive. To those who saw the Fair it will serve as a delightful remembrance; to those who were not so fortunate it will prove an unfailing source of entertainment and education. Send in your yearly subscription or renewal with the subscription price \$1.25 and we will send you the volume free and postage paid.

### Advertise What You Have To Sell.

If you want to sell anything, there may be a dozen people wanting what you have to sell but don't know that you have it. During the last four or five weeks we know of replies to advertisements in THE REPUBLICAN from Ooltewah, Nashville, Knoxville, Greenville and Ripley. Only a few days ago we received a letter asking quotation on Stock peas, but none are advertised. Two men have been wanting to buy cows. We suppose there are lots of cows to sell but these men didn't know it. Moral—When you have anything to sell advertise it.

Mr. J. L. Rogers, a young attorney from Hartford has located here for the practice of his profession. He has not yet secured an office but will do so in a few days. Mr. Rogers comes well recommended and will receive a hearty welcome from our people.—[The Muhlenberger.]

## COLORED DEPARTMENT.

[BY P. A. GARY.]

*The Albany Argus* says:  
"The distance between the woman and the home is widening every day."

The sisters of the Mysterious Ten of the U. B. F. met Monday night with a large number in attendance. The U. B. F. Lodge is gaining ground in the State of Kentucky and the United States very rapidly. It was established by colored men in Louisville in 1865 and has grown to be one of the greatest organizations in the country. The National Grand Master appointed H. B. Cassell, last August, Deputy Grand Master to the West coast of Africa to establish Lodges in that country. Mr. Cassell is a native of Africa and highly educated, having been educated at Monrovia College, Liberia, Africa, and is doing great good in the work of civilization. He will look well after the interests of that grand benevolent order. As the order was established in 1865 this is its 30th year. We think it would be well for us to celebrate its 30th anniversary. The U. B. F. Lodge in this place will have its thanksgiving sermon on the 3rd Sunday in April. We anticipate a grand time.

The attention of the colored people was called to the condition of cemetery of Hayti a few weeks ago. There should be something done immediately about enclosing the grounds, so the colored people of Hartford and vicinity are requested to meet at the schoolhouse Tuesday night the 2nd of April to elect trustees for the cemetery. This is a matter of vast importance to all the colored people and it is expected that all will meet.

We are sorry to say that Miss Helen Louis is but very little better this week than last, but we hope she may soon recover.

Mr. Charles Parks is no better. It is hoped that his condition is not as serious as some think it is. His many friends are very anxious for his recovery.

Rev. J. H. Ealy had a rally last Sunday and realized a handsome sum for which the committee has his thanks.

Mr. John Duvall has moved from the Hoover property opposite the brick yard, to his own home in North Hayti.

Mr. Luke Taylor and family have moved from his mother's property in North Hayti to his own home on Main street opposite the Odd Fellows' Hall.

Mr. Wesley MacLanahan has moved from the Herald property to Mr. James Thomas' property on Main street.

Mr. Thomas Walker moved from the Wood Phipps property near the colored Baptist Church to the B. F. Mosesley property near Hayti.

Mr. Dora Sullenger has moved from near Hayti to the White Settlement. There has been quite a moving around among the colored people.

Mr. W. H. Ross, the District Grand Master of the Grand United Order of Odd Fellows, will visit the Lodge here on the 5th of April. All the members are requested to meet him at the Odd Fellows' Hall.

700 colored people emigrated to Mexico from the South a few weeks ago. We think the colored people ought to stay in this country for they have cleared the forests and tilled the soil and have contributed largely in making this country what it is, and we are now citizens of the United States and helped materially in making themselves citizens. This is the grandest country on the globe. So since we have helped to make this country what it is we should stay here and enjoy the blessings of this great country. Every negro is naturally a Republican or should be and the next two years are going to be great years in politics so the negro of the South should stay here and do his duty toward the grand old Republicans and party and we will have a long period of prosperity in this country.—[N.
